- What does a typical day look like?
- Why is the position available?
- What is the broad culture of the company?
- What induction and training do you offer?
- What sort of people have done well in this sort of role?
- Are there advanced training programmes available?
- What are the company's key objectives for the next 3 years?
- What are your best-selling products or services?
- Is there room for progression within the company?
- What are the main challenges currently facing the company?
- Could you describe how this role relates to the overall structure of the company?
- How will my performance be measured?
